Salute, my friend!

Much to my own surprise, we once again find ourselves on the cusp of the Holiday season. As we look forward to this most magical time of year, I find myself ruminating on the great works of holiday cheer.

Charles Dickens' "A Christmas Carol" is, perhaps the most famous holiday story ever written. It is a story of possibility, redemption- a study on the inherent goodness of mankind, the belief that we are all capable of becoming better than we are.

It is also, perhaps most importantly, a ghost story.

For our 2019 holiday offering, we are pleased to invite you to join us for a most unusual evening of mind-reading, magic and other oddities as we explore the ghosts of holidays past, present and future.

In the pages that follow, you will find a breakdown of our *Guide to Holiday Spirits*, including booking information, price breakdown and reviews from other satisfied clients.

We do hope that you will consider us for your 2019 holiday line up. We encourage you to reach out quickly as our holiday offerings tend to book quickly, particularly on weekends.

Please don't hesitate to contact us with any questions you may have.

Yours in spirit(s),

Evelyn X. Moore

ABOUT THE SHOW:

N.Ever & Moore's *Guide to Holiday Spirits* is a magic and mentalism show specifically designed to be paired with a whiskey tasting or other 'spirit'-themed event. **What is particularly unique about this show is that it is specifically designed for your venue to become the "star":** the entire evening is centered around your offerings and menu, showcased in a exclusive package that your audience won't soon forget!

Our *Guide to Holiday Spirits* is approximately 90 minutes (including time for three tastings). Previous clients have found this breakdown of suggested tastings helpful for planning, but we are flexible and are happy to design our show based around your individual venue's needs. Please note that for those concerned, our show is specifically designed to honor the unique excitement of all holiday traditions and is non-denominational.

Part One: Past

Here we suggest something old, perhaps something with a bit of nostalgia or history attached to it. This is a lovely opportunity to treat your audience to something special, a reserve or top-shelf option to add value to your ticket price.

Part Two: Present

Old favorites and standard offerings are a perfect match for this segment. We find that audiences often discover new favorites from their regular haunts when given the opportunity to try something new!

Part Three: Future

This segment is an excellent opportunity for your venue to preview anything new or exciting that you've got in the works for the year ahead. Experimental offerings also work well here, particularly if you'd like to include an audience feedback component.

Finale & Mingling with Optional Additional Tastings

Can't decide between your favorite three (or four...or five) offerings? We're happy to adapt our show to allow you the

BOOKING INFORMATION

Our rates start at \$500/show. This includes a 90-minute show and the incorporation of your venue's tasting flight into the show. We are happy to use any specific dialogue or descriptions that you'd like as we take your audience on your chosen flight.

Our suggested ticket price for your event is \$50 to cover both entertainment and cost of drinks. However, some venues have found great success in marketing this as an exclusive, intimate evening for a smaller group of 15-20, with tickets ranging between \$150-400.

Please note that for audiences larger than 50 or for venues more than 3 hours outside the Atlanta metro area, there may be an additional performance fee to allow for technical adjustments and/or travel costs.

We of course also offer other options, such as hourly walk-around magic, séance, seasonal offerings and more. For details on these offerings, please contact us directly.

Holiday bookings (particularly Christmas and Halloween) go extremely quickly- we encourage you to reach out ASAP so as to assure your date and time. Please note that Halloween and Christmas Day proper are booked until 2025.
